PRODUCT APPROVAL: CERAM-KOTE 54

The product, listed below, has been approved for use in premises licensed, in terms of the Meat Act 1981, and will now be included in the list of approved products, published in MAF Regulatory Authority (Meat & Seafood) Approvals Manual 15.

Trade Name:	CERAM-KOTE 54
Industry Code:	Meat Fish Game Poultry all areas
Approval Code:	Surface Coating
Approval Date:	7 November 1996
Specification:	Ceramic Filled - Modified Epoxy, Thin Film Epoxy Coating

General Conditions:

1. The product being applied, fitted or installed in accordance with the manufacturer's specifications, relevant standards & codes and best trade practice.
2. The product construction materials being smooth, impervious, light coloured, non-toxic, non-absorbent, durable and easily cleaned without damage to the surface, and the product being designed, constructed and installed so that it can be readily and easily cleaned.
3. If the preparation, installation or curing of the product may produce tainting or cause odours, then meat, fish, game or poultry products must be kept from the area until it is free of volatile contaminants.
4. This approval is valid for a period of five years, from the date of the approval, but may be withdrawn at any time because of unsatisfactory performance, or because of any change in the product quality, specification or manufacturer.

MAF Regulatory Authority

ASB Bank House, 101-103 The Terrace, PO Box 2526, Wellington, New Zealand,
Telephone (64-4) 474 4100, Facsimile (64-4) 474 4239.

- 5 This approval is limited to MAF Regulatory Authority (Meat & Seafood) consideration of the hygienic adequacy and sanitary design of the product and is neither a guarantee of satisfactory performance nor an opinion of value for money as factors outside MAF control may affect the product's performance and a buyer's commercial judgement.
- 6 This approval may be used in advertising but may not be used as a MAF endorsement of the product or any claim made for it.
